

e-IEPPRO®

BY MEDIANET SOLUTIONS, INC

A Web-Based Special Education Management Software

The most comprehensive, compliant, fully-supported, and affordable system available within Arizona.

Join the growing number of satisfied Arizona users!

- Corporate strength, integrity, honesty, and commitment. **We deliver what we promise.**
- **Unparalleled competencies** in providing special education web-based solutions in Arizona for last five years.
- **Most Arizona installations** of any competitive software product.
- **Strong Arizona-based support team** comprised of certified and licensed special education professionals.
- Most **cost efficient solution** available because of our very intentional commitment to minimize costs without negatively impacting the delivery of high quality services and products.
- **Fully integrated with all State requirements**, including the unique and powerful ability to generate and manage SPED SAIS data.
- We have maintained a **100% retention rate** of all of our districts sold in Arizona and elsewhere.
